

Wiring Diagram

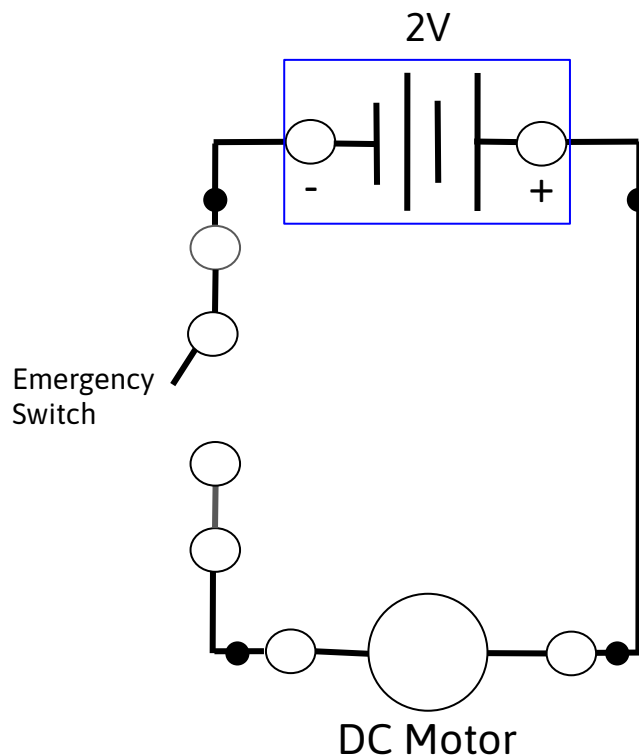

NOTE: While you are required to submit a wiring diagram to your judges per circuit, you do not have to use this document. You may adapt this template and provide a more detailed, complex wiring diagram.

Draw your diagram in the box below:

Team Name: Solar Panel Pals

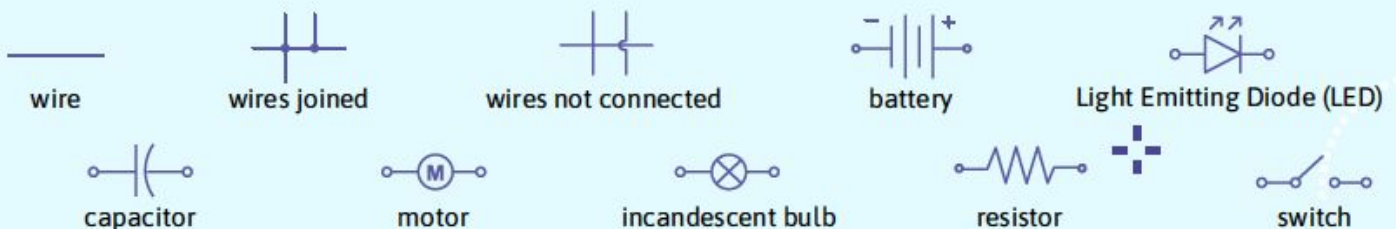

School Name: KidWind MS

Circuit #: 1 / 1

Reminder: All lines in a wiring diagram must be straight and neatly drawn

Here are some symbols you may want to include in your diagram:
