

KidWind Challenge Reporting Form Questions

After each KidWind event, we will send the event organizers a Event Reporting Form and a Winner Reporting Form to complete as soon as possible. While the Winner Reporting Form is most urgent because we want to invite top performing teams to Worlds quickly so they can prepare, the Event Reporting Form is also important for the growth of our program and future funding.

1. Who were the event organizers for this Challenge?
2. How many schools or organizations were in attendance?
3. How many teams participated in the Elementary School Division?
4. How many elementary school students participated in the event?
5. How many teams participated in the Middle School Division?
6. How many middle school students participated in the event?
7. How many teams participated in the High School Division?
8. How many high school students participated in the event?
9. How many female-identifying students were in attendance?
10. Which types of challenge were available for teams to compete in at this event?
 - a. Wind
 - b. Solar
 - c. Hydro
 - d. Ocean
 - e. Geothermal
